RE: Nafeco Protective Clothing Purchase Order Request

Please find the attached Purchase Order Request to Nafeco for the purchase of protective clothing (bunker gear) for Fire Department Personnel. This purchase will be made utilizing the Buy Board Contract # 284-08 in the amount of \$74,256.00. A total of 40 sets of protective coats and pants are being requested to outfit 5 new career firefighters and 25 protective coats and pants are being requested to provide replacements for those that will have ended the 10 year service life established by National Fire Protection Association. There are also 10 sets that need replacing due to excessive wear. The manufacturer has advised us of a 7% price increase to take effect in February 2009, we plan to place this order before the price increase.

This purchase is consistent with and fully funded in our FY2009 operating budget – 100-35 36-61185.

We respectfully request this item be placed on the upcoming City Council agenda for consideration. Please contact me should you have any questions or wish to discuss this request further. I may be reached at (972) 292-6311 or email rwolford@friscofire.com.
